

The St. Clair Hotel Late Check-out Information

Late check-out of 1 pm the latest is always subject to availability, as determined on day of departure. During peak occupancy times we are unfortunately unable to grant this request so that arriving guests can be accommodated in a timely manner. If you've parked a vehicle with us, your charge for the previous night includes parking until 5 pm day of departure, and we will gladly store your luggage at no charge.

Thank you for choosing The St. Clair Hotel.
