

The St. Clair Hotel Luggage Storage Information

The hotel provides secure complimentary storage for arriving and departing guests subject to the following conditions:

- Each luggage item should have a tag with the owner's name and, if possible, a local telephone number. We also recommend an interior tag with the name, address, and telephone number of the owner.
- Each luggage item should be completely closed and locked.
- The hotel will absolutely not accept: weapons of any kind, alcoholic beverages, jewelry, cash, flammables (including fireworks), or contraband of any kind.
- The hotel reserves the right to reject storage of any luggage item at its discretion and is not responsible for the value of the contents or any subsequent liability.
- To the best of the hotel's ability, each luggage item will be individually tagged by hotel personnel and the owner will be given a claim check for each item.
- Lost claim checks will be resolved at the discretion of the manager on duty and may require additional time for resolution by the hotel General Manager.
- The hotel will store luggage any time after 7 am on the date of arrival, but will not store luggage beyond the departure date. Unclaimed items are subject to the hotel's lost and found policy.

This policy is subject to change. Thank you for choosing The St. Clair Hotel.
