

The St. Clair Hotel Payment in Advance of Arrival Information

Payment may be made in advance by charging the credit or debit card that was supplied to guarantee the reservation, or any other credit or debit card. If an alternative card is preferred, the cardholder must telephone the hotel at (312) 787-3580 and provide the full card number, the expiration date, and the security code. For security reasons, we do not recommend sending this information via email. To make a payment in advance, or to authorize a card that will not be present, please contact the hotel and request a 3rd Party Authorization form. Please be sure to confirm the last 4 digits of the card to be charged. The form will be emailed and must be signed by the cardholder and returned, preferably 1 day prior to arrival. On receipt of the authorization form the card can be charged at any time prior to arrival, and will be charged on arrival. Thank you for choosing The St. Clair Hotel.
