

The St. Clair Hotel O'Hare Airport Transportation Information

The hotel does not offer shuttle service from O'Hare Airport, but there are many options including public transportation; www.transitchicago.com/airports; shared services, www.airportexpress.com/ohare_shared_ride_shuttle; and private taxicabs, www.flychicago.com/OHare/EN/GettingToFrom/TaxiLimo/Taxi-Limousine.aspx. The nearest CTA train station is Grand on the Red Line and it is about 6 blocks from the hotel. To reach that station, you will have to take the Blue Line from O'Hare (to Loop/Downtown) and transfer to the Red Line (to Howard) at the Clark/Lake station. Exit via the Northeast stairs and walk east to Michigan Avenue, then north to Ontario Street. The hotel will be at the end of the block to your right. Thank you for choosing The St. Clair Hotel.
