

## **The St. Clair Hotel Valet Parking Information**

Our current valet parking rate is \$58.00 per vehicle, per night of stay and includes in and out privileges. This rate is subject to change. The hotel does not offer other parking options, but there are pay-to-park alternatives nearby. The hotel encourages guests to read all signs and rate placards before parking to avoid excessive fees or violation notices. The total for all vehicles for the entire stay is collected at check-in and reservations for the valet parking service are not required. Custom vans, dually trucks, and other oversize vehicles may not be able to be parked, and trailers and motorcycles cannot be parked. In that case we will direct you to nearby garages and surface lots, but we cannot guarantee availability. Vehicles may be parked on the morning of arrival and you have until 5 pm on the day of departure to retrieve your vehicle once without any additional cost. The hotel does not recommend storing your luggage or valuables in your vehicle; we provide secure storage and an in-room safe for these items. Thank you for choosing The St. Clair Hotel.
